WANT TO BE FEATURED ON QSRWEB.COM?

Here's how to get in front of the editor:

Press Releases. We love them! But make it easy for us. Copy and paste your press release into the body of an email addressed to Editor@QSRweb.com (Don't attach it). Sending a PDF will not prevent copy-editing, but it will probably delay the posting of your news.

Include photos. Include photographs and/or video if available and of good quality. Standard-format digital files are accepted (.png, .jpg, .gif) as are video links, and embed codes. Identify the source and person or place shown; if more than one person, tell us who's who (by name, title, company).

Avoid flowery descriptions and exaggerated or hyperbolic expressions of praise. No opinions; stick to the facts and keep them short and sweet.

Provide a quote from a specific brand leader. Include name, title and employer of the person being quoted.

Provide lists and/or stats when possible.
